Construis la frise.

Construis la frise.

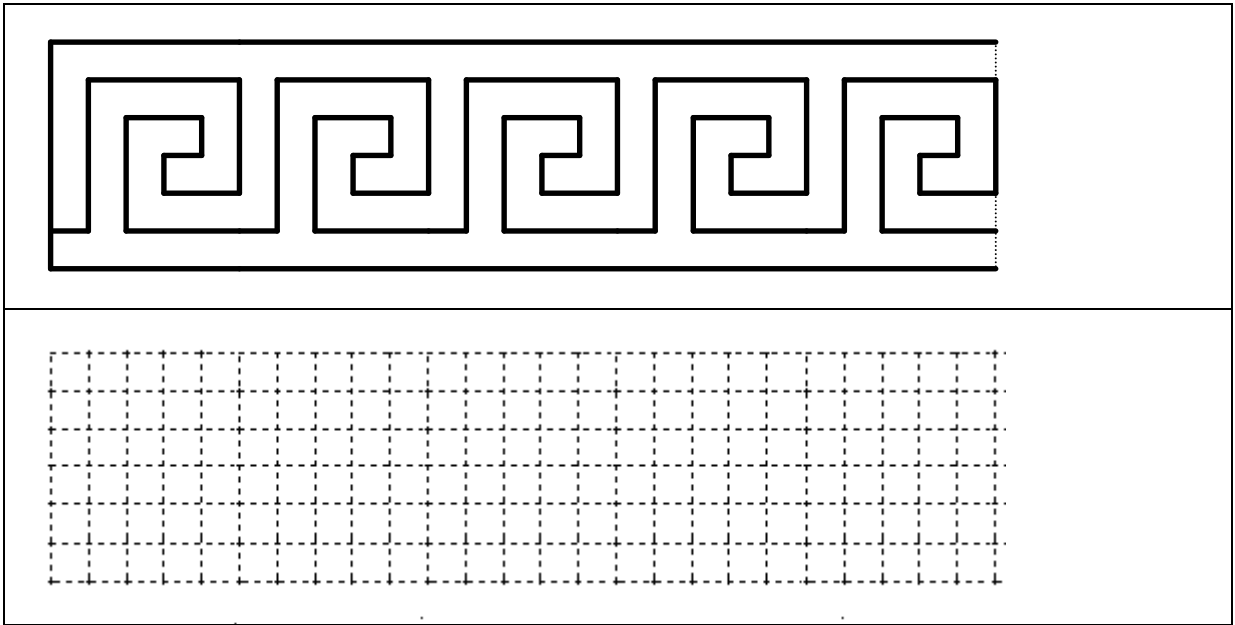

Construis la frise.

Fiche n°8.

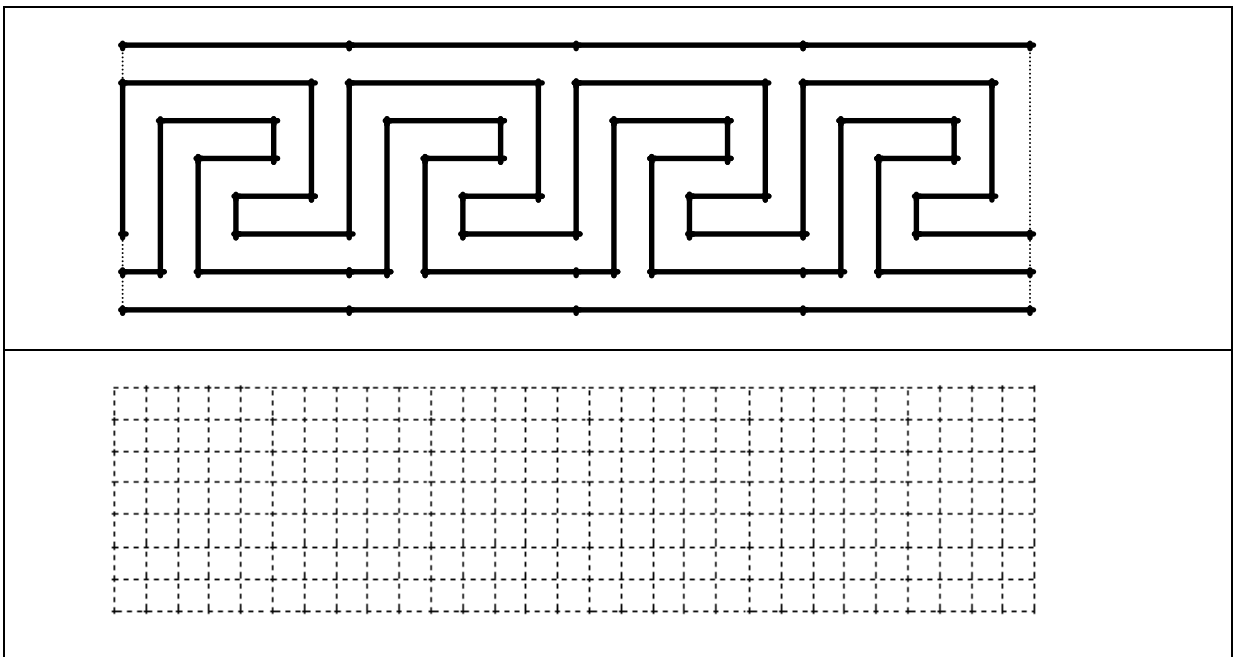

Nom: Prénom :

Construis la frise.

The top part of the box shows a solid black Greek key pattern (meander) consisting of five repeating units. The bottom part of the box is a dashed grid for tracing, with 10 columns and 5 rows.

Construis la frise.

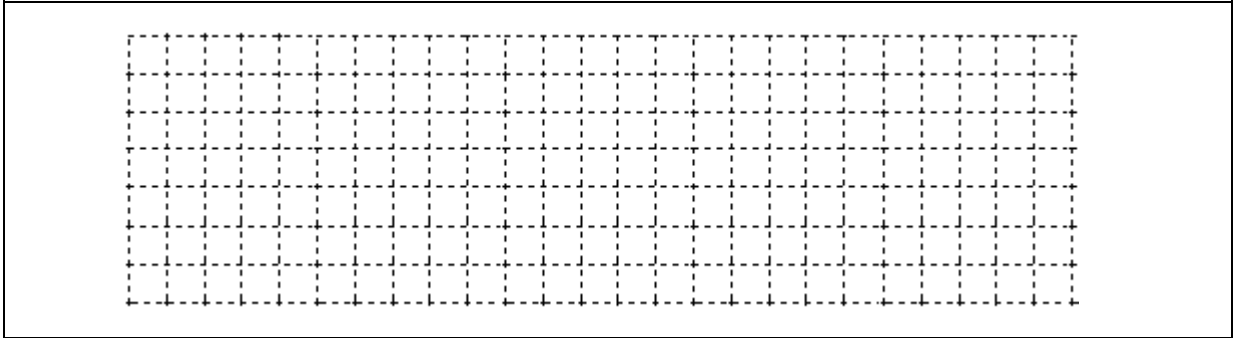

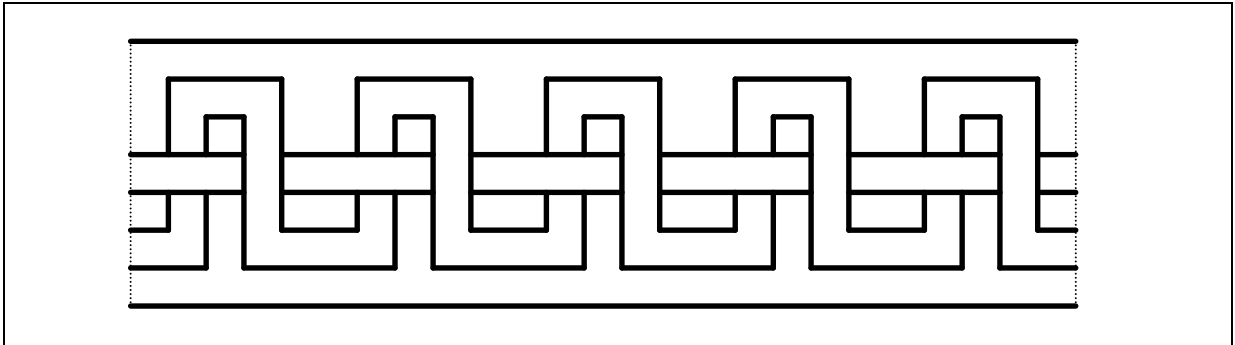

The top part of the box shows a solid black Greek key pattern (meander) consisting of five repeating units. Small black dots are placed at every vertex of the pattern, and small black arrows are placed on each segment to indicate the direction of the path. The bottom part of the box is a dashed grid for tracing, with 10 columns and 5 rows.

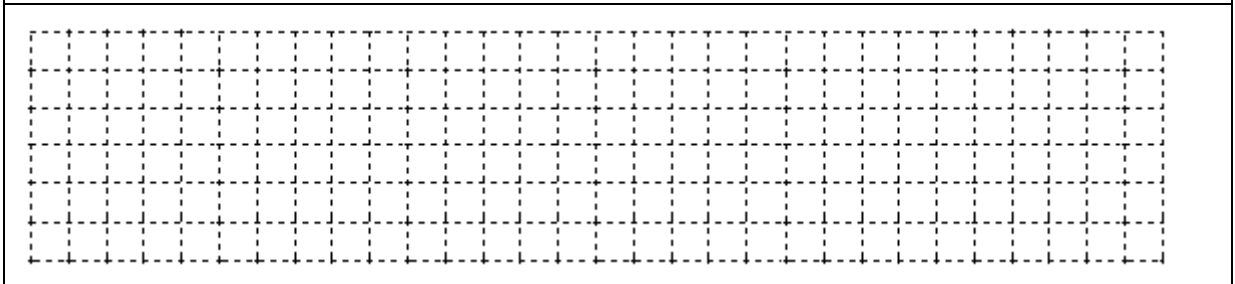

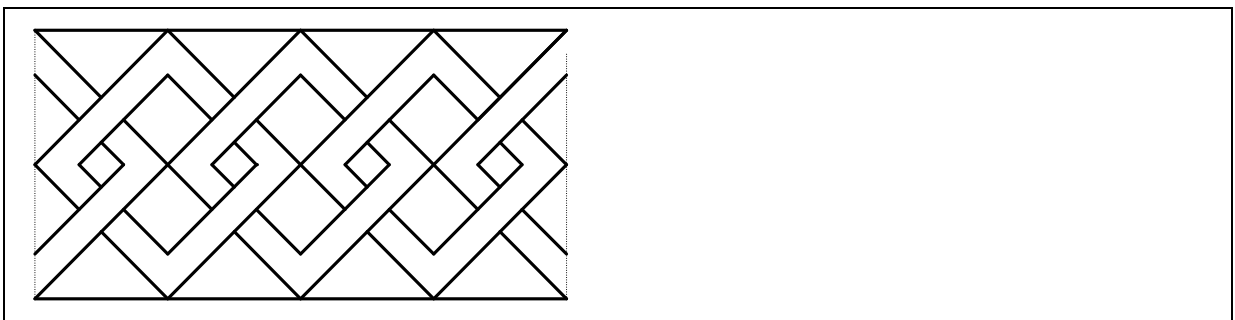

Fiche n°9.

Nom: Prénom :

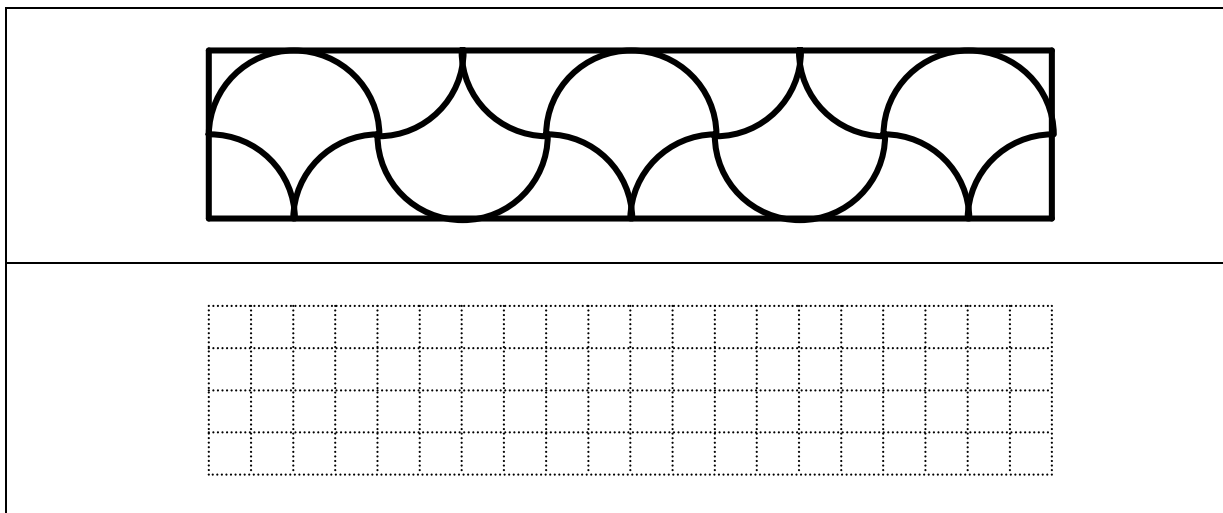

Construis la frise.

Construis la frise.

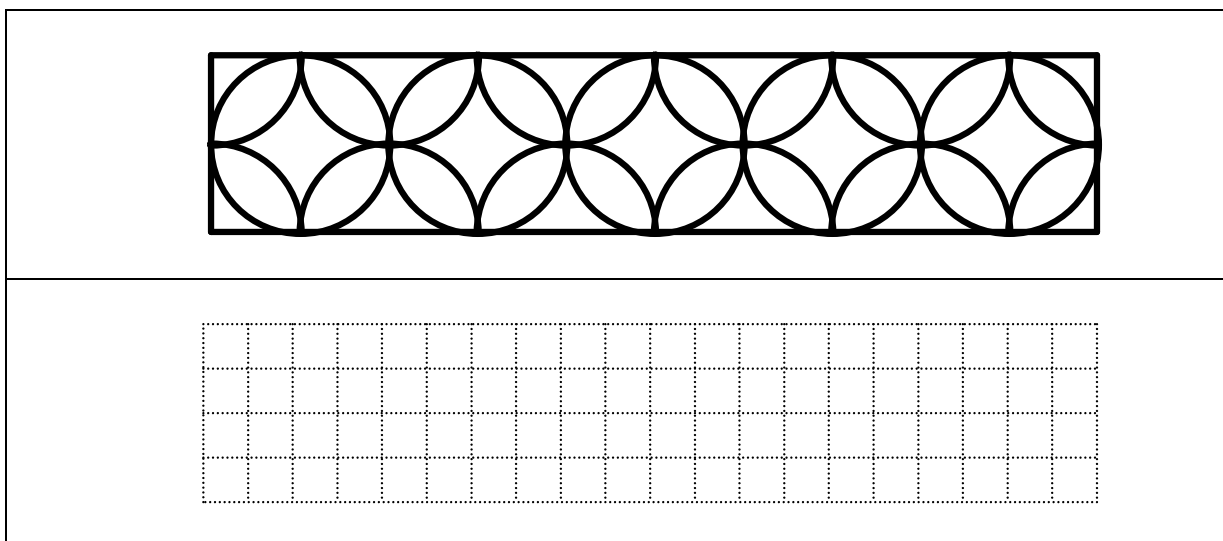

Construis la frise.

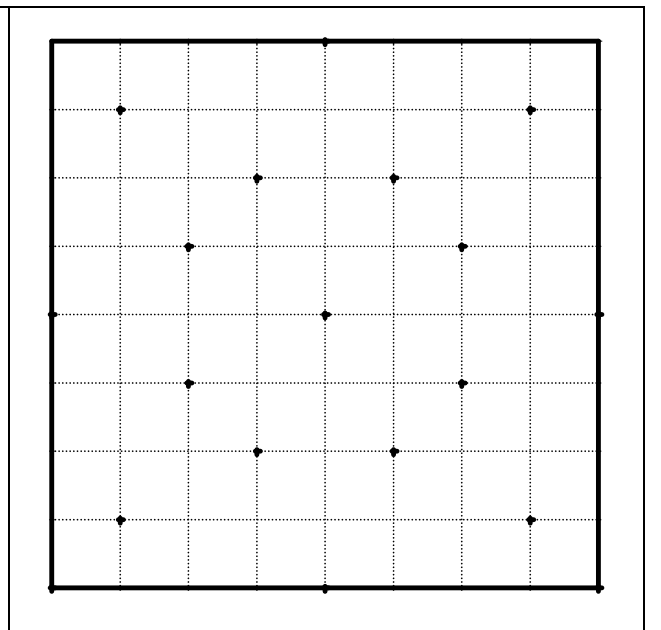

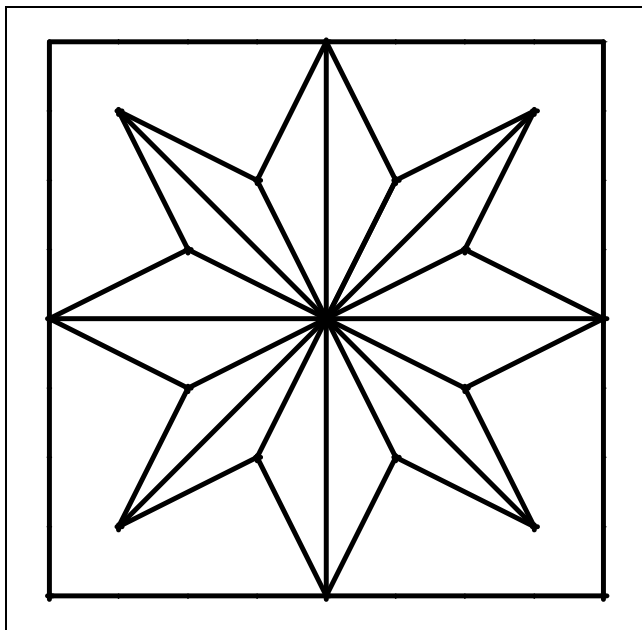

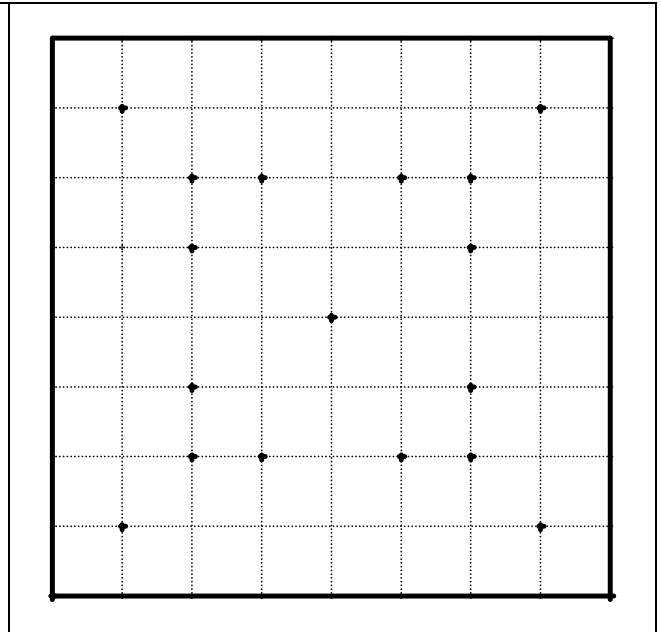

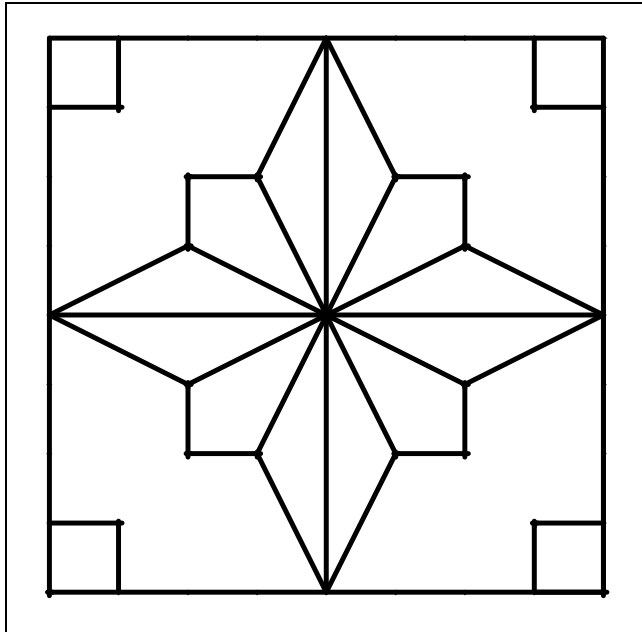

The top part of the box shows a decorative frieze pattern consisting of a sequence of overlapping semi-circles. The bottom part of the box contains a grid of 12 columns and 3 rows of dotted lines for construction.

Construis la frise.

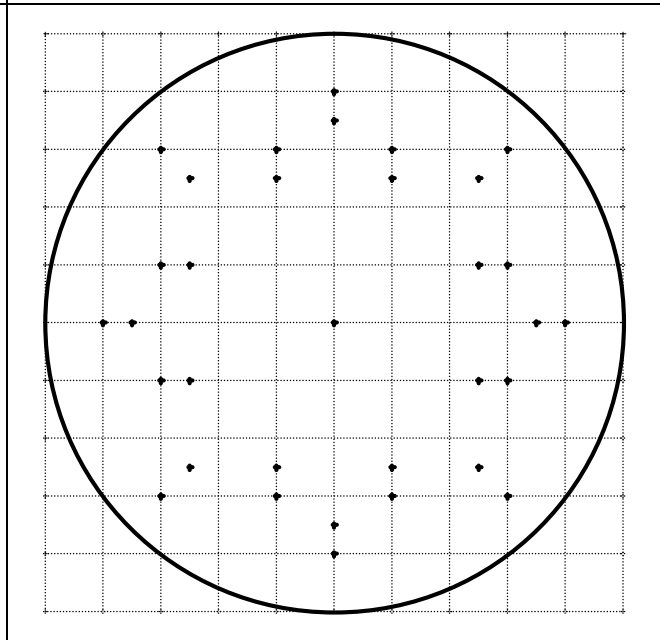

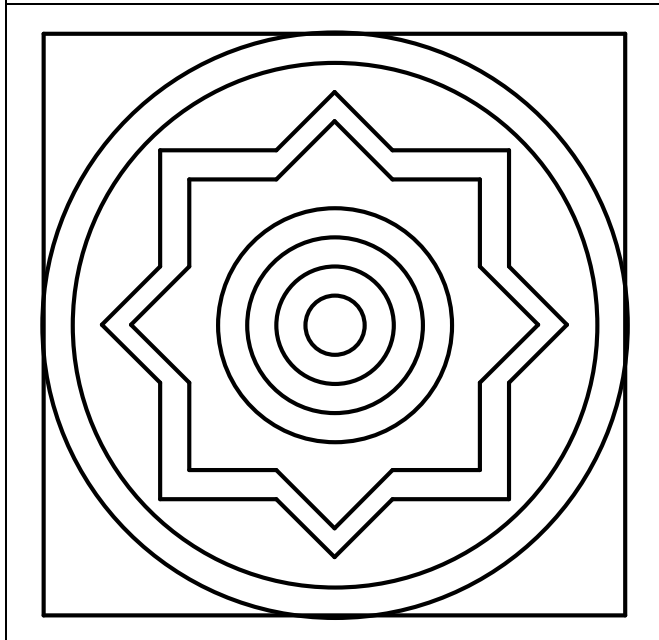

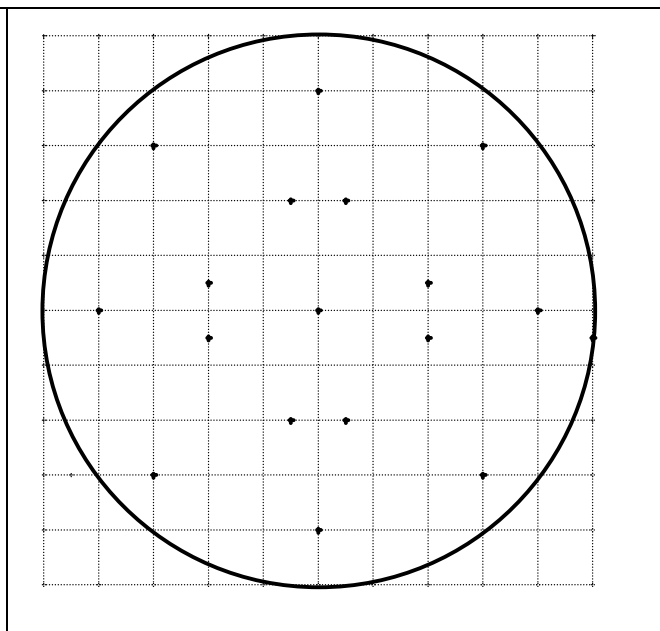

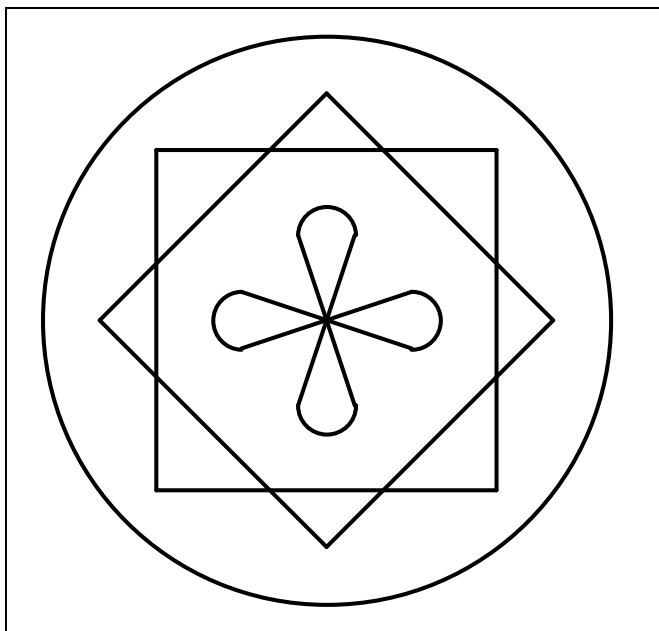

The top part of the box shows a decorative frieze pattern consisting of a sequence of overlapping circles. The bottom part of the box contains a grid of 12 columns and 3 rows of dotted lines for construction.
